CLUB IMPROVEMENTS

Adapt & Thrive Grant

As we were successful in securing funding from Adapt & Thrive, here is a list of how we have distributed those funds across the club:

- £15,000 on new mats/carpet for our sprung floor
- £4,200 on replacing the heating system in the small gym
- £200 for the carpets cleaned in the small gym
- £3,000 for renovating the existing changing rooms into a conditioning suite
- £700 for renovating the existing waiting room into a break out area with tables/chairs and TV which will live stream training sessions
- £800 for installing a camera system to stream to the TV/live events
- £2,600 for new chairs/trolleys for in-house events
- £3,200 on painting of the gym
- £200 for the shutters being repaired to allow better ventilation and light into the small gym and red gym
- £3,770 Foam landing pit

Keep our club safe and please follow the guidelines:

- All under 14's must be accompanied by an adult to class on drop off and collection
- Please refrain from parking or stopping to drop off/collect at the door area. All cars must park in an allocated parking space and where required, come into the gym to collect your child
- If all car park spaces are occupied, please use the main road to park and avoid blocking the entrance to our neighbouring property
- We are in the process of completing work to the new break out area, once this completes you will have an area where you can collect your child.
