## **Our purposes for processing information about you**

We use the information we hold about you for a variety of purposes which are outlined below. Data protection law requires us to tell you what our legal reason is for each purpose.

### **Contractual purposes**

When you ask us to provide you a service, such as club membership or registration, gymnastics classes, competitions, trips or other activities, or you buy a product from us, we usually need to use information about you to provide this product or service, for example:

- To contact you to confirm arrangements;
- To notify you about changes to terms and conditions;
- To tell you when it is time to renew membership or re-register for activities
- To process payments or send you receipts required.

We do so because it is necessary for the performance of a contract.

### **Legal obligations**

We have a duty of care to ensure it is safe for you or your child to take part in gymnastics activity and to keep you/them safe while participating. Some individuals may be at risk of harm from participating in gymnastics activity as a result of a pre-existing condition. It is vital that you let us know if there is any reason why taking part in gymnastic activity may be unsafe prior to participation. With your agreement, we will review any information you provide and undertake risk assessments in consultation with yourself and any appropriate trained professionals e.g. medical consultants. When we ask participants to provide relevant health information such as details of medical conditions, medication needs, allergies or injuries, this is because we have a legal obligation.

If you are selected for a role at the club, we will usually obtain a reference from any appropriate organisation or individual you have nominated.

When you tell us about any special needs such as disabilities or other support information we may use relevant information to comply with our legal obligations under the Equality Act 2010. We will review any information you have provided to help us identify any actions we can take to support inclusion. We may need to ask you for more information to help us to best meet your or your child's needs. We will keep a record of any steps we take to support inclusion.

If you are wishing to volunteer or work for us, we may need to ask you to complete a criminal record check as we have a legal obligation to do so. We jointly control the checking process with British Gymnastics or Scottish Gymnastics who are responsible for the assessment of any content on the check and will only share information with us where it is appropriate. For example, if you are considered by British Gymnastics to be unsuitable to take on the role, we may share relevant and proportionate information about criminal offences where it is deemed that while you are not considered unsuitable to take on the role, if it is considered necessary for safeguarding purposes.

When we retain information about you, even after you are no longer taking part in gymnastics activity, this is often because we are required to do so by law such as records we are required to keep for business and accounting purposes. Sometimes we are also legally obliged to share information about you with third parties. More information is provided below.

## Legitimate interests

We rely on legitimate interests for the following purposes:

- **Responding to communications, concerns or complaints and seeking feedback from you about our services.**
  - We will use the information you provide to respond to any comments or questions you raise and where appropriate to undertake investigations into any complaints or concerns. On occasion, we may contact you to seek your views on the services we provide.

  - When you join the club, we collect contact details. We also ask you to provide an emergency contact which we will only use in exceptional circumstances if we are unable to contact your primary contact e.g. a parent.
- **Maintaining attendance registers, achievement records and waiting lists.**
  - For health and safety purposes and club records, we need to maintain a register of those in attendance at training or other club activities.
  - Achievement records are kept to monitor gymnasts progress.
  - If there are no places in the club, we can place you on our waiting list and will contact you using the details you provide to inform you when a place is available.
- **Entering you into a competition and providing results**
  - If you wish to take part in a club competition, your information (usually your name, date of birth and gender) will be used to enter you into the appropriate category and your score will be recorded. Results of competitions are normally published on our social media pages (Facebook and Instagram).
  - If you wish to enter a competition organised by another gymnastics body, including British Gymnastics, Scottish Gymnastics, Regional and County Gymnastics Association we will provide your information to the organiser to enable you to take part in the competition or event that they are organising.
- **Collecting additional information to support a participant attending a club trip**
  - Occasionally we organise residential events or trips. If you or your child registers for one of these events, we will need to collect additional information, that may vary depending on the specific activities and whether they involve meals and travel. Dynamite Gymnastics Club - Charity number SC045414

- **Monitoring performance and undertaking fitness assessments**
  - If you or your child are/is a competitive/elite/squad gymnast, we will need to collect additional information about you/them. We track and monitor gymnast's performance in training, trials and competition and undertake regular fitness assessments. We may require additional information about lifestyle and education if you or your child are/is training at an elite level and requires time out of school or lifestyle.
- **To monitor that you have completed any required safeguarding training and criminal record checks**
  - If you undertake a role where a criminal record check and safeguarding training are required, we will receive confirmation from British Gymnastics if your check is approved and that you have completed the required safeguarding training.
- **CCTV footage**
  - We live stream video footage from all training sessions in the gym to a monitor elsewhere in the gym. This is then stored on a hard drive.
  - On occasion, we may film gymnasts e.g. during a gymnastics session for coaching purposes. Videos taken at training sessions for individual coaching purposes will not be used for any other purpose without prior consent
  - For the prevention and detection of crime
  - For evidence in any civil or criminal legal proceedings
  - To assist in investigations
  - For safety and security
  - Dealing with any queries, complaints or enquiries

As well as being the purposes for which we use your personal information, all of the above are also legitimate reasons for us to use and store personal information relating to you which is captured on our CCTV system and legitimate interests are our legal basis for processing your personal information.

We will keep your personal information for up to approximately 30 days after the recording was made. After this time the recording stored on the hard drive of our CCTV system will usually be overwritten. However if we receive an enquiry about a particular recording on our CCTV we will generally then retain that part of the recording until it is no longer required. This period can vary as it will depend upon the circumstances of the particular case, but for criminal or civil legal proceedings this could mean that the personal information is retained until after the legal case and any appeals have been concluded, which may be many years. As soon as it is no longer required we will then delete the personal information.

- **Photography and filming [at large club events] to promote the club**
  - We may take photos at club events to promote the club on our website, club social media account and in communications.
